# YOUR ROLE AS A MEMBER OF FAST

Welcome to Fairland Aquatics Swim Team. We realize that you have many options for year round competitive swimming, and are thrilled you've chosen FAST over everyone else. From day one it's important that everyone understand that our program is geared towards competing. You'll get the most out of our program when you compete regularly and follow the guidance provided by our experienced and knowledgeable coaching staff.

Each season we attempt to build upon previous years, and to improve our program. To that end, each family has a role in helping meet this objective. In addition to the areas listed below there are many ways a family can help the program and make it more enjoyable for everyone involved, so be willing to assist the coaches when they call on you for a little help. Always keep an open mind and be willing to learn as much as possible about the sport.

As part of the registration process this page must be signed and turned in with your family registration sheet and financial obligation sheet.

We look forward to working with you and your swimmer this season.

FAST Coaching staff.

## VOLUNTEERING

Parents should be prepared to volunteer their time and energy to help with FAST related activities. In addition, when FAST enters swim meets we will submit a list of timers to the Meet Manager in advance of the meet to ensure we are in compliance with Potomac Valley Swimming guidelines.

There are many certified positions that make up the meet officiating crew. All parents are encouraged to seek certification.

Contact Rick Moyer for more information regarding the officiating process.

rmoyer@mail.umd.edu

Our long term goal is to have roughly a 20% officials to swimmers ratio. On average that would mean about 15 - 20 certified officials.

## FAST MEETS

Our club hosts meets annually and needs participation from every family. For the 2009 / 2010 season we will be hosting three meets.

November 21, 22, 2009  
January 23, 24, 2010  
June 27, 2010

Each family is expected to volunteer their time to ensure we have all jobs covered. Families that do NOT volunteer will be assessed \$ 50 per meet, and will be billed. **We would much rather have the volunteer time, however.**

In addition to volunteer hours we ask each family to donate a case of name brand soda and / or Gatorade for our concessions stand.

Keep in mind that revenue generated from swim meets benefits ALL team members.

## FINANCIAL

FAST generates its revenue from Program Dues and hosting swim meets. Each family has an obligation to make sure they are current with program dues and meet fees, and to volunteer with hosting meets. Being a small team, we don't have a 'war chest' of money so please meet established deadlines.

An effort is made to send out regular statements but it's ultimately up to the family to stay on top of payments.

Meet fees are due with meet entries. If a swimmer reaches \$ 125 in outstanding meet fees, no further entries will be submitted.

Families with outstanding program or meet fees are not eligible for discounts the following season and might be required to pay the full seasons dues prior to the first practice.

**I have read all the above and agree to meet any and all team standards and expectations.**
